FAO. Chris Clarkson

Issue Date: 4 March 2019

Dear Chris,

Jaguar Land Rover engine oil specification STJLR.51.5122

Verification certificate for:

Your Brand: Comma Eco-M 0W-20

Your Product Code:

Based on the data submitted we confirm that the above product meets the requirements of Jaguar Land Rover engine oil specification STJLR.51.5122-16 for use in all Jaguar Land Rover vehicles where STJLR.51.5122 is specified.

This acknowledgement relates only to the specific base oils used, additive types and their treat rates under the brand name as identified in your application. Furthermore Jaguar Land Rover reserves the right to rescind such an acknowledgement and ask you to remove the JLR specification from the product claim if, in its opinion the product when subsequently tested does not comply with the formulation in the application.

This letter in no way implies a recommendation of the product, and as producer and retailer you and your distributors retain all responsibility for the quality and fitness of the product in use. This letter does not allow the use of the Jaguar Land Rover brand for any marketing purposes but entitles the use of the claim STJLR.51.5122 on your packaging.

This verification is valid until 4 March 2021.

Yours faithfully,

.....  Pierre Rabaso,
Subject Matter Expert, Engine Lubricants.

.....  David Williams,
Principal Engineer, Cooling and Lubricants.

.....  Graham Page,
Chief Engineer, Core Engines.

For and behalf of
Jaguar Land Rover Limited.

**Moove Lubricants Update [March 2021]: The OEM approval for this product is in the process of being re-approved. Due to the on-going Covid situation the issuing of the certificate is currently delayed by the OEM. The product and its formulation is fully adhering to OEM requirements and specifications. We will update the certificate as soon as we have the new approval letter issued by the OEM. Apologies for any inconvenience caused.*
